# PROJECT DISTRIBUTION

VIP Thailand Group was established in 2015 with the goal of providing high-quality properties to customers in Thailand and from around the world. Since then, we have completed 8 projects including boutique apartments, villa resorts, and stunning hotels. Whatever type of property you're looking for, we can help make your dream a reality.

Our concierge team is there for your every need, from urgent assistance to the most trivial requests so that you can enjoy the convenience and VIP lifestyle you've always dreamed of.
